Dear Mr. Banovski:

I want to emphasize, once again, that my wife and I were very much pleased by the excellent service provided by your company « Laura Catering » on the occasion of a buffet-dinner for diplomatic colleagues at our home in Dragalevzi last week. The courteous and cheerful attitude of your staff, the excellent food and the efficient service greatly helped to make this evening a success.

I look forward to working with your company again.

Sincerely,

David Vogelsanger
